The chance to change a child's life forever

## FRAN PAYNE *An icon for change.*

In 1969, Fran Payne became the Executive Director of Jack & Jill Children's Center. She ushered in a new and deeper level of care by enriching children's lives through education and also, by strengthening the futures of low-income working families. Fran saw that changing a child's life required new features for families, such as Jack & Jill's food and clothing pantry, lending library, job resources, and parent strengthening courses.

Her 38 year legacy of tireless work on behalf of South Florida's most vulnerable population is upheld and cherished today exclusively by esteemed members of the Fran Payne Society—who change lives ... one child at a time.

*'We, each of us, have so much in life. These children are our future; we must work together for a better tomorrow.'*

*—Fran Payne*
